Toronto, March 10/1914.

Dr. R. A. Falconer,  
President, Toronto University.

Dear Sir,

I have painted several cushion covers in the design of the University Crest, and given them to friends. From the appreciations expressed, I feel assured that many University people would be glad to possess copies.

Accordingly I beg to apply to You for permission to make that use of the Crest.

Yours respectfully

A. J. Fraser '09 appsc.
